

**First automatic translation provider on the Internet**

- **Nine months 2000 sales: +30%**
- **E-Services: +211%**
- **AOL and Compuserve select Systran as automatic translation service provider to their subscribers**

**November 7, 2000** -- SYSTRAN (Reuters: SYTN.LN, Paris Code SICOVAM: 7729) is releasing today its consolidated sales for the 9 month period ending September 30, 2000.

### 1. Continuing growth for the new activities: +65%

In the continuation of the first half 2000 trend, accumulated sales for the first nine months show a 30% increase compared to the same period in 1999. The third quarter which is structurally low does not recognize important orders initiated during this period but completed during the fourth quarter.

Up 65%, the new activities confirm their growing importance in the Group's strategy : e-Services increase by 211%, while software edition registers a 30% progression. These new activities account for 71% of the consolidated sales, against 58% at the end of 1999.

FRF thousands	Q3 00	Accumulated		1999
		09/30/00	09/30/99	
Software publishing	4 863	14 662	11 313	15 761
E-services	1 751	8 815	2 830	3 402
Development	2 906	7 692	4 695	6 809
<b>Revenues from new activities</b>	<b>9 520</b>	<b>31 169</b>	<b>18 838</b>	<b>25 972</b>
Linguistic Services to Administrations	4 744	12 446	14 876	19 289
<b>Consolidated revenues</b>	<b>14 264</b>	<b>43 615</b>	<b>33 714</b>	<b>45 261</b>

### 2 – AOL and Compuserve select Systran

Systran automatic translation technology is now available for the millions of AOL and Compuserve users. It is providing them with real time translations of texts and contents on Internet. Created in 1985, America Online Inc., based in Dulles (Virginia - USA) is world leader for Internet online services.

AOL and Compuserve subscribers can access the translation service on AOL « Research & Learn » and on Compuserve « Business Research » at <http://systran.aol.com> and <http://systran.compuserve.com>
