

Leading Provider of Information and Translation Technologies

2002 Q3 Revenue release

Revenue increase reflects partial recovery of the first semester's sales level

October 23, 2002 -- SYSTRAN (Bloomberg: SYST NM, Reuters: SYTN.LN, Code Euroclear Paris: 7729) today announced consolidated revenue of €2,1 million for the third quarter ended September 30, 2002 representing a 15 percent increase over revenue of € 1,9 million for the same quarter last year.

In millions of Euros (not audited)	Q3			Year-to-date		
	2002	2001	Var.	2002	2001	Var.
Software Publishing	0,8	0,4	+92%	1,8	1,8	-
Corporate Solutions	0,6	0,8	(24%)	2,0	2,0	-
Development Contracts	0,3	0,2	+112%	0,5	0,7	(26%)
Services to Administrations	0,4	0,5	(20%)	1,0	1,7	(42%)
Consolidated Revenue	2,1	1,9	+15%	5,3	6,2	(15%)

Software Publishing and Corporate Solutions

The release of new Desktop Products drove Software Publishing revenue growth up 92 % during this quarter.

The renewal rate of Corporate Solutions licenses remains satisfactory.

Development Contracts and Services to Administration

As expected, new contracts signed during the 3d quarter generated the same revenue as compared with the same reporting period in 2001, but this does not allow for recovery of the accumulated delay reported in the first semester.

About SYSTRAN

SYSTRAN is the leading provider of the world's most scalable and modular translation architecture. Its expertise spans over 30 years of building customized translations solutions for large corporations, portals, ISPs, governments and public administrations through an open and robust architecture.

SYSTRAN's core technology powers revolutionary translation solutions for the Internet, PCs, and network infrastructures that facilitate communication in 36 language pairs and in 20 specialized domains. SYSTRAN's technology is developed under Linux and runs on all Unix platforms, MacOS X and MS Windows. SYSTRAN continues to develop new machine translation systems and language combinations, which include Arabic, Farsi, Czech, Hungarian, Polish, Danish, Finnish and Swedish.
